RETAIL PRICES IN US DOLLARS, EFFECTIVE AUGUST 1ST, 2025

NORTH AMERICA PRODUCT / PRICE GUIDE 2025/26

GENERAL TERMS & CONDITIONS OF SALE

The Company - Roca Bathroom Products Inc. as LAUFEN in this Price List

Net Payment Terms

Net 30 days from date of invoice which is the same as the shipment date. A late fee of 1 1/2% per month will accrue on past due balances. The Purchaser may not withhold or reduce payments for pending claims without the prior written agreement of LAUFEN.

Prices

All prices contained in the price list are U.S. Dollars (US$) exfactory (North American distribution centers). Shipping, packaging and other handling charges may be in addition to prices contained herein. All orders are invoiced on day of shipment from the distribution center and at prices prevailing on that date. LAUFEN reserves the right to adjust prices without prior notice.

Orders (usa@laufen.com / canada@laufen.com)

Orders are subject to acceptance by LAUFEN. Acceptance is acknowledged by the issuance of an order confirmation document. Acceptable credit standing is mandatory at time of shipment.

Shipments

Product shipments will only be made to predetermined Authorized Dealer locations. Special delivery agreements must be approved prior to acceptance of unique orders. Certain delivery locations and/ or delivery equipment and/ or expedited services may result in surcharges dependent on each situation.

Inventory

LAUFEN will make reasonable efforts to maintain adequate stocking inventory at its North American warehouses to serve the expectations of its market. Items indicated as 'special order' or communicated as non-inventory will result in lead-times appropriate to the unique situation. Stock-outs and/or shortages, regardless of cause, are a normal part of the business, and LAUFEN Bathrooms assumes no responsibility, financial or otherwise, for events that may result from these temporary situations.

Packaging & Handling

Shipments are normally palletized and shipped via LTL carriers selected by LAUFEN Bathrooms. Package shipments (UPS, FED-EX, etc.) incur a packaging surcharge of $10.00 per carton additional to normal shipping charges.

Return of Goods

A Return Goods Authorization (RGA) must be obtained from LAUFEN Bathrooms Customer Service in advance of all return of products. Return of non-defective products is subject to a 35% restocking fee, and goods shall be returned to the designated distribution center 'freight prepaid.' Requests to LAUFEN for issuance of a return authorization for nondefective or damaged products more than 30 days after receipt by an Authorized Dealer will not be accepted.
All return goods must be in saleable condition.
No products that have been installed or attempted installation are eligible for return.

Freight Terms

Free Freight:

Minimum
$2500 USD Net Purchase order for USA/CANADA

Freight Charges:

12% of the NET price of the product(s) purchased.
$200 NET Surgcharge over any freight charge for all solid surface BATHTUB orders
Minimum $20 USD regardless of order total
Minimum $100 USD on any palletized order
Liftgate charge $150 USD additional if required even if FFA threshold is met.
$45 USD Delivery Notification Charge additional if required.

Customization

Drilling of 1 3/8" faucet holes can be customized to some extent. Drawing and sign-off are required. Additional charge of $75 List per faucet hole drilled.

Unless otherwise indicated, all ceramic santiaryware products comply with one or more of the following standards (as appropriate): ASME A112.19.2, ANSI Z124.4, ASME A112.19.14, ASME.

GENERAL TERMS & CONDITIONS OF SALES

Credit will be issued only for goods that arrive at our warehouse facilities in saleable condition and with all installation parts and instruction sheets enclosed.

(LAUFEN products are originally shipped on pallets with one or more additional products included and arranged to prevent damage in transit. Individual items being returned may be subject to damage if extreme care is not taken to protect the goods during the return transit period. Due to product weight, most products cannot be returned via common package services without damage occurring. Please take appropriate precaution!)

Special Order Products

The complete LAUFEN product range contains products not found in this price list. LAUFEN will make a best effort estimate of lead-times but assumes no responsibility, financial or otherwise, for events or business matters affected by the arrival of the specially ordered product. Special orders may not be canceled or returned except for quality related matters. Unless specifically stated to the contrary, LAUFEN makes no claim that special ordered products will comply with North American plumbing codes.

Dimensions & Tolerances

Product dimensions and weights are approximations provided for convenience in estimating. Only the actual product shall be used for making installation and calculation decisions.

Due to the natural production process of ceramic products, minor warpage and imperfections are to be expected.

Delivery Shortages & Damage Claims

LAUFEN Bathrooms terms of sale are exfactory (North American distribution centers) resulting in change of ownership at time of departure from our distribution locations. Therefore, delivery shortages and freight damage claims are ultimately the responsibility of the purchaser. We recommend that shortages and visible damage are:

1) Noted on the delivery bill of lading upon receipt of goods
2) At least 5 photos are taken of the damaged products or cartons and reported to LAUFEN and the carrier within 5 days of receipt.
3) Obvious carton damages and obvious irregular sounds to be reported within 1 business day.
4) Shortages must also be reported to LAUFEN within 3 days following receipt of shipment.

Note:
This price list supersedes any & all previous price lists.

Unless otherwise indicated, all ceramic santiaryware products comply with one or more of the following standards (as appropriate): ASME A112.19.2, ANSI Z124.4, ASME A112.19.14, ASME.

LIMITED PRODUCT WARRANTY

LAUFEN warrants its LAUFEN branded ceramic products and all bathtubs (acrylic, Santec, Marbond) against defects in material and/or workmanship for a period of five (5) years from the date of original purchase. Furniture items including vanities, wall cabinets, and related accessories are also warranted against defects in material and workmanship for a period of one (1) year from the date of original purchase. Components such as bolts, fill and flush valves, drains, and seat with covers are warranted against defects in material and workmanship for a period of one (1) year from the date of original purchase.

The following conditions apply to this warranty:

1) The product must be unmodified, properly installed, and maintained for its normal and intended non-commercial purposes.

2) Commercial use of LAUFEN branded products may cause this warranty to be voided unless such applications are known to LAUFEN at time of sale and initial installation.

3) LAUFEN will, at its discretion, either repair, replace, or make appropriate adjustments when defects are noted by LAUFEN inspection personnel. 'Replacement similar to' product will be offered in cases where original product is no longer available.

Specifically excluded from the warranty are:

1) Original and replacement installation costs.

2) Wear and tear items normally used as part of the maintenance and care of the LAUFEN product.

3) Damages that are the resultant of abuse, chemical damage, or improper installation.

4) Changes in the product as a result of chemical use, water conditions, atmospheric conditions, or color changes as the result of normal wear-and-tear.

This exclusive warranty is issued in lieu of all other warranties, expressed or implied, including but not limited to, the implied warranties of merchantability and fitness for a particular purpose. This warranty is non-transferable and applies only to the original purchaser.

To obtain warranty service contact LAUFEN either through your dealer, sales representative, or directly by contacting LAUFEN Bathrooms at usa@laufen.com. Proof of purchase is required to process warranty claims.

Products marked (special order) may have special delivery requirements.

SPECIAL FEATURES

Swiss Quality

Products with the Q-Plus certification comply with European standards, and abide by stringent Swiss standards as defined by Suissetec/VSA. LAUFEN ceramic products are compliant with these Swiss quality standards and are recommended accordingly.

LAUFEN Green Mission

LAUFEN is committed to protecting the environment, placing great emphasis on sustainable manufacturing processes in regard to energy, water and materials uses. LAUFEN implores efficient and eco-friendly practices across all stages of production – from product development to marketing materials. For example, LAUFEN uses the waste heat generated in the production process to dry our ceramic pieces.

LAUFEN's production sites operate in accordance with strict, international environmental principles. The Swiss Agency for Efficient Energy Use has awarded Keramik LAUFEN AG its prestigious label for being actively involved in voluntary climate protection. Additionally, LAUFEN Austria AG- with its production sites at Wilhemsburg and Gmunden- was awarded the EMAS environmental prize for outstanding environmental performance. Overall, LAUFEN supports and promotes active environmental policies; policies that are embedded in the company's principles and upheld by our workforce around the world.

Water Sense®

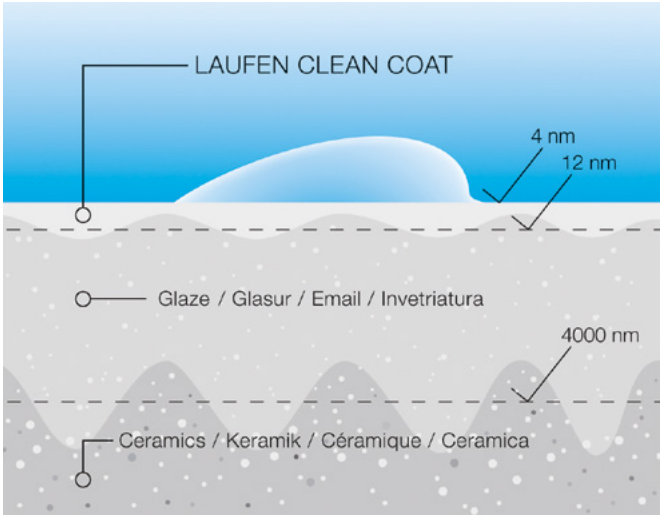
LAUFEN Bathrooms has partnered with WaterSense - a program of the Environmental Protection Agency. Products bearing the WaterSense label:

- Perform as well or better than their less efficient counterparts.
- Are 20 percent more water efficient than average products in that category.
- Realize water savings on a national level.
- Provide measurable water savings results.
- Achieve water efficiency through several technology options.
- Are effectively differentiated by the WaterSense label.
- Obtain independent, third-party certification.

LAUFEN's floor mount and wall hanging water closets have been certified to meet the rigid requirements of the WaterSense program. These products meet the WaterSense requirements for both minimal water usage and waste removal exceeding 350 grams. Frequently referred to as High-Efficiency Toilets (HET), LAUFEN's dual-flush technology is used throughout the product line to achieve its HET certification.

Unless otherwise indicated, all ceramic santiaryware products comply with one or more of the following standards (as appropriate): ASME A112.19.2, ANSI Z124.4, ASME A112.19.14, ASME.

SPECIAL FEATURES



LAUFEN Clean Coat (LCC)

The LAUFEN Clean Coat (LCC) logo can be seen on the Alessi One bathroom collections. LCC is one of the most groundbreaking ceramic finishes on the market; it is virtually poreless and smooth to the touch. This sophisticated ceramic finish ensures that particles of dirt and bacteria can be simply rinsed off with water, thus, the ceramic stays clear of debris and is easier to clean. Due to the glaze-in-glaze method, where the LCC glaze is directly melted with the ceramic, the smooth finish of LCC remains hard and robust.

ADA Compliant

What does "ADA Compliant" mean?
The Americans with Disabilities Act (ADA) provides greater safety and comfort for individuals living with physical or challenging impairments. ADA regulations apply on both federal and state levels, however states have the ability to modify federal mandates or create their own codes.
Due to the myriad variables associated with the plumbing industry, manufacturers such as LAUFEN do not have a singular agency that would issue a product as ADA-approved in that proper installation to the codes is a mandatory component of compliance with ADA rules. LAUFEN has designed certain products that we feel can become part of an ADA compliant bathroom when installed according to regulation. We have designated the ADA compliance of these products in our Price Guide with the ADA icon. While we believe these products will be acceptable for ADA installations, we cannot guarantee that the product will be found acceptable in all locations.

cUPC/ASME Compliant

The Uniform Plumbing Code (cUPC) and American Society of Mechanical Engineers (ASME) are trade organizations that cooperatively meet to create mechanical design and test routines for plumbing products. These are trade organizations tasked with creating guidelines for safe and interchangeable products that provide value for consumers and competitiveness among manufacturers. All of LAUFEN Bathroom ceramic products (unless noted otherwise) meet the design requirements and laboratory testing demands of these organizations. Organizations that provide this testing routine include the International Association of Plumbing and Mechanical Officials (IAPMO Group), whom has issued several of LAUFEN's certifications.
